## 1950 RMB

Reluctantly this vehicle is for sale due to 'down sizing' after 37 years of ownership: purchased in 1987 which incidentally being exactly half of its now 74 years since being manufactured. Full records have been kept and filed of all mechanical repairs, services etc since purchased in 1987 and are available to be viewed.

Major mechanical work was a complete engine rebuild 2004 - many other mechanical repairs/maintenance attended to as listed in the comprehensive file records held for this vehicle.
